## Casket Price List

These prices are effective August 1<sup>st</sup>, 2022 and are subject to change without notice.

**“THERE IS NO EVIDENCE THAT ANY CASKET REPRESENTED AS HAVING PROTECTIVE FEATURES,  
WHICH MAY INCLUDE A GASKET, WILL PRESERVE HUMAN REMAINS.”**

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Casket selection range:

Alternative Container (Tan interior and exterior, constructed of fiberboard)

\$ 40.00

### WARRANTIES

Our funeral home makes no representation or warranties about the protective value of certain caskets or outer burial containers other than those made by the manufacturer. The only warranties, express or implied, granted in connection with goods sold with this funeral are written warranties, if any extended by the manufacturers thereof. No other warranties and, specifically, no warranties of merchantability and fitness for a particular purpose are extended to the seller.
